The Honorable Allen Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

On returning from a week's absence from my office I have found your kind letter of 13 February concerning the meeting of the Air Force Scientific Advisory Board in Colorado on 20 April.

Of course my colleagues and I regret that you are unable to schedule a trip to be with us, but we are pleased that Mr. Amory can come in your stead.

As an old friend, I have called Mr. Amory and expressed to him our appreciation for his undertaking this task.

Sincerely,

James M. McCormack
